

## TOKARNIA

The following records were transcribed and translated from the Bukowsko "Spis Parafialny" by Debbie Greenlee. She is the owner and author of these pages. Care was taken to transcribe and translate everything correctly.

The information which follows can be found in the Bukowsko Roman Catholic parish church's "Spis Parafialny." A "Spis" is the Roman Catholic church's census of its parish members. Typically, updated information was added to the existing record by the priest. Most of the residents in this village were Greek Catholic, however the Roman Catholic priest from Bukowsko parish enumerated the Roman Catholics living in this village as well as their immediate family members regardless of whether they were Roman Catholic or Greek Catholic. The oldest date listed is 1849. The most recent date is 1941. Page numbers refer to the original pages of the "Spis Parafialny." Regardless of whether your ancestors lived in this particular village, you would do well to search the other gmina villages for ancestors. For more information regarding these translations or for a copy of the original "spis" page, contact Debbie Greenlee

NOTE: ^ indicates this is the spelling in the record even though it may look incorrect. The record was written in Polish so these spellings could indicate the influence of other nationalities. Anything in parenthesis was so indicated in the record. Anything in brackets is my own commentary. Question marks indicate that something is written in the original record but I could not decipher it from the image. The format of records is similar to how they appear in the "spis." First date appearing after a child's name is the birth date.
